WORK EXPERIENCE & PROJECTS

MONDELEZ INTERNATIONAL International Business Services
Software Development Engineer Intern May 2020 - Jul 2020
- Developed crucial marketing tools and successfully implemented them to improve the reach of the company products.
- Built several apps and remodeled existing apps & websites to ease the process of finding stores,products & placing orders.
- My work resulted in an increased customer base for the company. The work also made significant changes which led to internal workings of the company become easy, refined and robust.

GYM FITNESS APP(start-up) Hyderabad, INDIA
Android & UI-UX Developer Aug 2018 - Nov 2018
- As part of the role, I designed screens, developed them and integrated them with back-end processes.
- Worked on Android Studio to build the app with all required features using Java.
- Worked in a dynamic, fast-paced team and delivered the product to the client within the deadlines. The product was lauded for its quality and the team's effort.

COLLEGE PROJECTS IIITH, INDIA
- Image Classification using **AI**, AI Gaming Bot, Tinder Bot, Emotional State Detection using **ML**
- **2D & 3D Games:** Mario, Subway Surfers, Jetpack Joyride & Flight Simulator, Space Invaders
- Personalized **OS Shell** in C, Personal Website, FreeMusic PWA, Quiz Portal using GO & **ReactJS**

LEADERSHIP & SERVICE

GENERAL SECRETARY IIITH 2020
- Elected as the General Secretary of the student's parliament by over 2500 students to represent the students community and to solve their issues and problems.
- Represented students fairly in every situation and solved their issues and problems in a timely manner.
- Managed all the student bodies and Parliament members while working in synergy with the faculty, management & administrative departments.

NATIONAL SERVICE SCHEME COORDINATOR IIITH 2018-2020
- As NSS students coordinator at IIITH my role was to conduct service related activities and manage the volunteers.
- Over the period of 2 years as Coordinator, I worked hard to conduct activities/events regularly in and outside the college while maintaining a healthy balance with the academic works.
- I was the first 2nd year student to take charge as coordinator. In the role of coordinator, significant changes were implemented in the structure and working of NSS which doubled the no.of volunteers in less than 6 months.

PHOTOGRAPHY CLUB COORDINATOR IIITH 2018-2019
- I was the first 2nd year to take charge as coordinator of the photography club.
- Despite having a small team, I was able to successfully run the club and made sure all the events happened with full coverage from the photography club.
